JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

FOREIGN AND INSULAR.

AFRICA.

Report from Algiers—Typhus fever at Bona.

Consul Johnston reports, June 10, as follows:

Typhus fever has broken out in the prison at Bona, 450 miles by rail from Algiers, and 3 deaths from the disease are reported. The stringent measures which were promptly taken seem to have been successful. No cases are reported outside the prison.
